

Blaze

CHARACTER

Point blank

Your attacks deal +1 damage to a player on your own tile.

Shade

CHARACTER

Long shot

Your attacks deal +1 damage to a player who isn't on your tile.

Ember

CHARACTER

Scavenge

After your normal loot, you may take 1 more cube from the same tile.

Tide

CHARACTER

Runner

Your Base Move starts at 2.

Nova

CHARACTER

Field medic

Your Base Move starts at 2. Each Heal card you use to heal removes 2 extra Dead cards.

Gale

CHARACTER

Storm runner

You take 1 less storm damage.

Vex

CHARACTER

Siphon

When your attack puts 2+ Dead cards on a player, return 1 Dead card from your hand to the supply.

Bastion

CHARACTER

Armored

You start the game with 1 Shield point (it doesn't refill at upkeep).

Brute

CHARACTER

Heavy hitter

Your Base Attack starts at 2.

Rig
CHARACTER

Tinkerer

Your first upgrade costs 3 instead of
4.

Round track

1	2	3 DROP	4	5 DROP	6	7 STORM FAST DROP	8	9 DROP
10	11 DROP	12	13	14	15	16	17	18
19	20	21	22	23	24	25		

How to use the round track

- **Start:** put the marker on 1.
- **Advance:** move the marker up 1 at the start of each of the start player's turns after the first (if the start player is out, move it when play reaches their seat).
- **Storm, rounds 1–6:** at the end of your turn place 1 storm marker. End your turn on a storm tile: 1 Dead card to your discard pile.
- **Storm, round 7+ (STORM FAST):** place 2 markers per turn; storm damage is 2. Storm damage ignores Shield.
- **DROP rounds (3, 5, 7, 9, 11):** before the start player's upkeep, a supply drop lands — one drop per starting player (2 players: rounds 3 and 5; 3 players: 3, 5, 7; and so on).
- **Endgame:** once every tile is marked, everyone takes storm damage every turn. There is no round limit.

Storm markers (cut out, or use glass beads)

Reference cards

Upkeep: refill Shield up to Base Shield → draw up to 5 (held and Dead cards count) → 3+ Dead: announce "critical"

Actions (any order): play any cards · move · 1 attack · 1 loot (1 cube, 1 pile claim or 1 drop card) · upgrade

Supply drops: rounds 3, 5, 7, 9, 11 (one per starting player); placed on a tile that's not storm or edge, then everyone may nudge it 1 tile

Heal card: heal (Dead from hand → supply, card leaves the game) or shield (+Shield, max 4; stays until used)

Storm: place markers on edge tiles or tiles touching a marked tile: 1 per turn (rounds 1–6), 2 per turn (round 7+). End your turn on a storm tile: 1 Dead card (round 7+: 2) to your discard pile; Shield doesn't block it

Eliminated: all your Dead cards to supply; your other cards become a loot pile (claims pick 5, then 3, then 1)

End: eliminated if 3+ Dead in hand (then skip the rest) → discard played cards, then discard down to 3 (Dead cards stay and count) → storm markers → storm damage

Damage: Attack – Range, then Shield absorbs; 0 or less can't hit; Dead cards go to the target's discard pile

Upgrade: pay 4+ value of one type from hand → +1 stat (max 4); paid cards go to discard

Upkeep: refill Shield up to Base Shield → draw up to 5 (held and Dead cards count) → 3+ Dead: announce "critical"

Actions (any order): play any cards · move · 1 attack · 1 loot (1 cube, 1 pile claim or 1 drop card) · upgrade

Supply drops: rounds 3, 5, 7, 9, 11 (one per starting player); placed on a tile that's not storm or edge, then everyone may nudge it 1 tile

Heal card: heal (Dead from hand → supply, card leaves the game) or shield (+Shield, max 4; stays until used)

Storm: place markers on edge tiles or tiles touching a marked tile: 1 per turn (rounds 1–6), 2 per turn (round 7+). End your turn on a storm tile: 1 Dead card (round 7+: 2) to your discard pile; Shield doesn't block it

Eliminated: all your Dead cards to supply; your other cards become a loot pile (claims pick 5, then 3, then 1)
