Round track

1	2	3 DROP	4	5 DROP	6	7 STORM FAST DROP	8	9 DROP
10	11 DROP	12	13	14	15	16	17	18
19	20	21	22	23	24	25		

How to use the round track

- **Start:** put the marker on 1.
- **Advance:** move the marker up 1 at the start of each of the start player's turns after the first (if the start player is out, move it when play reaches their seat).
- **Storm, rounds 1–6:** at the end of your turn place **1** storm marker in the outermost ring that still has unmarked tiles (finish a ring before starting the next). End your turn on a storm tile: **1** Dead card to your discard pile.
- **Storm, round 7+ (STORM FAST):** place **2** markers per turn; storm damage is **2**. Storm damage ignores Shield.
- **DROP rounds (3, 5, 7, 9, 11):** before the start player's upkeep, a supply drop lands — one drop per starting player (2 players: rounds 3 and 5; 3 players: 3, 5, 7; and so on).
- **Endgame:** once every tile is marked, everyone takes storm damage every turn. There is no round limit.

Storm markers (cut out, or use glass beads)

Reference cards

Upkeep: draw up to 5 (held and Dead cards count) → 3+ Dead: announce "critical"

Actions (any order): play any cards · move · attack (split it among players if you like) · 1 loot (1 cube, 1 pile claim or 1 drop card) · upgrade

Supply drops: rounds 3, 5, 7, 9, 11 (one per starting player); placed on a tile that's not storm or edge, then everyone may nudge it 1 tile

Heal card: value + your Heal bonus: heal (Dead from hand → supply, card leaves the game) or shield (+Shield, max 4; stays until used; never refills)

Storm: finish the outermost ring before starting the next; place 1 per turn (rounds 1–6), 2 per turn (round 7+). End your turn on a storm tile: 1 Dead card (round 7+: 2) to your discard pile; Shield doesn't block it

Eliminated: all your Dead cards to supply; your other cards become a loot pile (claims pick 5, then 3, then 1)

End: eliminated if 3+ Dead in hand (then skip the rest) → discard played cards, then discard down to 3 (Dead cards stay and count) → storm markers → storm damage

Damage: points in that attack – Range, then Shield absorbs; 0 or less can't hit; Dead cards go to the target's discard pile

Upgrade: pay your upgrade cost (normally 4) in value of one type from hand → +1 Move or Attack (max 4) or +1 Heal bonus (max +3); paid cards go to discard

Upkeep: draw up to 5 (held and Dead cards count) → 3+ Dead: announce "critical"
